

KM LED 6" x 4"

Work Light - Hi/Lo

KM LED 6" x 4"
Work Light - Hi/Lo
PN: 2572

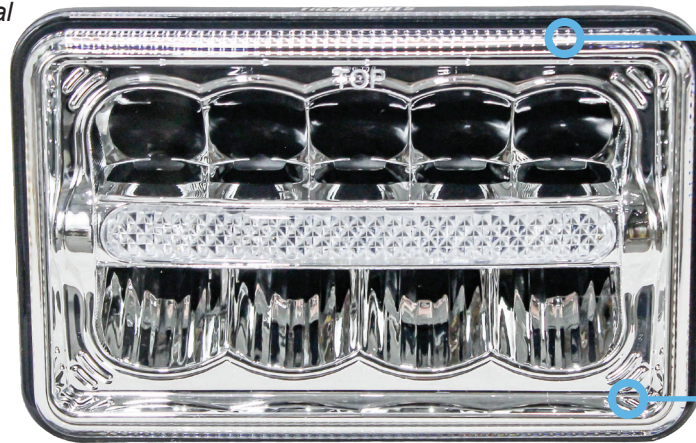

Ideal for Industrial Equipment

Save yourself time and money with LED Lights that are IP68 rated so that no dust will get in your light and your light can be fully and continuously submerged in water, but there will be no side effects. These lights have filters that will eliminate unwanted radio and electromagnetic frequencies from external sources. Their die-cast aluminum housing/heatsink gives them long-lasting durability for a high quality and long service life. Aluminum housing is specifically designed to dissipate heat away from the internal electronics, which increases light output and improves performance. This light is designed to handle any severe environmental condition.

Die-cast aluminum housing/heatsink for long-lasting durability with a high quality and long service life

Connector included

Hi/lo beam pattern,
hi beam: 2,800
effective lumens,
lo beam: 1,800
effective lumens
